DECLARATION OF TODD M. FRIEDMAN

I, TODD M. FRIEDMAN, declare:

1. I am one of the attorneys for the plaintiff in this action, Paul Stemple (“Plaintiff”). I am an attorney licensed to practice law in the State of California since 2001.
2. The declaration is based upon my personal knowledge, except where expressly noted otherwise.
3. I submit this declaration in support of the Plaintiff’s Motion for Final Approval of Class Action Settlement.

SUMMARY OF CASE HISTORY AND SETTLEMENT

4. I have been preliminarily approved as Class Counsel in this matter.
5. I have been involved in this case from inception through the present. I have assisted with claims administration and responded to Class Members’ inquiries.

ADEQUACY OF SETTLEMENT

6. I have been informed by the Claims Administrator that 1,320 claims to the Settlement were received out of approximately 31,230 Settlement Class Members thus far. In my experience, this equates to a higher than typical participation rate.
7. I have reviewed information provided by the Claims Administrator regarding the number of claims submitted and the single request to opt-out of the Settlement received thus far.
8. In my opinion, based upon the many years of experience in civil litigation and several years of experience in litigating class actions (including TCPA class actions), and based upon the facts of this case, the number of class members, and the other circumstances, I believe the Settlement is fair and reasonable. Therefore, I believe the settlement merits Court approval.

1 9. Those persons not in the Class could not file a claim for a monetary
2 payment, but I believe they will also benefit from the Settlement because
3 the Settlement will likely serve as a deterrent to future violations of the
4 TCPA.

5 **CLASS COUNSEL EXPERIENCE**

6 10. I have outlined my experience in the Declaration of Todd M. Friedman in
7 Support of Motion for Award of Attorneys' Fees, Costs and Incentive
8 Payment to be heard at the same time as this motion (Dkt. No. 109-12), and
9 I will not be repeating it here for sake of brevity.

10 I declare under penalty of perjury under the laws of California and the
11 United States of America that the foregoing is true and correct, and that this
12 declaration was executed on August 15, 2016.
